Two day training for professionals who want to use rapid, safe and effective techniques that includes:

- Copy of Alternative Healing Beyond Recovery for the Genius.
- Packet over 12 processes and visualizations from the book you can read and use with clients.
- Several scripts of new processes not in the book.
- Learn rapid and effective techniques to release anger, reduce depression and anxiety, lower blood pressure, reduce panic attacks, manage pain, set healthy boundaries and more.
- Gain the theory and applications of guided visualization, removing energy blocks and soul or self retrieval.
- Practice with colleagues and gain valuable feedback.
- Use the techniques between sessions with clients and get supervision.
- Understand how to bypass the critical thinking part of the brain that can censor feelings and memories quickly.

CEU & REFUND POLICY: This workshop meets California Board of Behavioral Sciences CEU requirements; 12 CEU's for MFT and LCSW's, Provider #4177. If you are earning CEU's and arrive 15 minutes late you will not receive the CEU's. Call 909 981-9957 within 48 hours, and you will receive a transfer credit, minus \$25 registration fee. This transfer is good for one year. If you withdraw, transfer or cancel 5 days prior to the workshop you will receive a refund minus \$25.

Jill Raiguel is an experienced workshop leader who has trained therapy professionals nation-wide. A California MFT for over 36 years, she currently has a psychotherapy practice at Kohut Psychiatric Medical Group in San Bernardino, Ca. In her private practice she works with shamanic methods, both classic and innovative.
